GAINESVILLE ANIMAL HOSPITAL
E-Collar Consent Form

UTD 2/3/17

After any surgery, it is possible your pet will want to lick or chew at the surgery site and stitches. Therefore, we recommend purchasing an e-collar to prevent this from happening.

If an e-collar is declined upon check-out, any surgical complication related to a pet licking or chewing at the surgery site will be treated at full cost to the owner. Such expenses could range from \$50 to \$250.

The cost of an e-collar ranges from \$14 to \$20 depending on the size of the pet.

_____ I accept an e-collar for my pet

_____ I decline an e-collar for my pet and understand I will be charged for complications arising from my decision.
